This camp is for Boys ages 7 to 12. Ben Allen, former Winthrop HS player, who played fun some new drills and games for those campers returning.

A great chance for those who love Baseball to get a mid-summer week of skill development. Campers should come dressed for a for a great time playing Baseball, send drinks, and snacks.

We ask campers to bring sneakers in case we go inside because of inclement weather.

Camp will be held on Maxwell and Clough fields.
