

JUNIOR MSGA YOUTH GOLF PROGRAM

This is not a learn to golf program.

**Participants need to have their own equipment and have played golf
they walk all the golf course,**

**If you are looking for golf lessons, contact the Rec Dept. and we can
direct you to a couple of programs.**

This summer we will again be getting young people involved in the Maine State Golf Association (MSGA) Junior Tournament schedule. There are many tournaments you can sign up. We will try to arrange car pools for anyone needing a ride to a tournament. To register and get details on the Junior Golf Tour go to the MSGA website, www.mesga.org, click on Junior Golf section and register with them, and then you can sign up for tournaments you want to play in. You can sign up for any of the tournaments in the box, you don't need to play in all of them.

There is no fee to the Winthrop Rec Dept., please check on Registration form that you are signing up for Jr MSGA Tournaments so, we will know who is attending Tournaments from Winthrop, so we can arrange rides for those that might need help getting to events.
