## 2019

### Minor League

Minor League will consist of players ages 9 and 10 and will follow the Babe Ruth of America – Cal Ripken League rules.

Exceptions and highlights to the rules are as follows: All players 9 and 10 years of age on May 1<sup>st</sup> of that year are eligible for the Minor leagues.

- 1) League will use an official Babe Ruth approved ball. Bats must be approved and have a USA BASEBALL stamp
- 2) Teams must use a continuous batting order. Players must play at least 2 innings in the field and get 1 at bat per game. This rule would be waived if the game is shorter than 6 innings.
- 3) Bat through the lineup or 3 outs whichever comes first. # of batters will be determined by the team with the fewest players in team lineup. If Team A has 11 and Team B has 14, through the lineup will be considered 11 hitters.
- 4) The (10) run rule will be in effect after four innings, unless coaches agree to continue playing.
- 5) A pitcher can only pitch 6 innings in a 7 day period. This is a floating week, so a player may pitch 6 innings in 7 day period. 1 pitch is considered an inning. Coaches must keep track in their scorebooks.
  - a. The league strongly suggests coaches limit # of pitches thrown in any one game
  - b. Coaches are asked to watch to make sure a pitcher doesn't play on off days as catcher
  - c. Coaches are asked to work with other teams player may be on (ie Middle School, AAU) to track the number of innings they are pitching or catching in a week
- 6) On any pitch a batter may not attempt to bunt and then attempt to hit the ball with a full swing. The batter will automatically be called out upon doing so. They are able to swing away on the next pitch.
- 7) A runner should slide at home plate on a close play. In the umpire's discretion, if he feels the play would be close and the runner does not slide, then he will call the runner out.
- 8) Stealing is allowed and the runner may not leave the base until the ball has crossed home plate. Runners may steal only after the ball has reached the batter. Only one run per inning is allowed by a runner on third base advancing to home on a passed ball. A passed ball is only on a pitched ball, runners may advance on over throws to bases or back to pitcher.
- 9) The health and safety of every player should be in the forefront of a coach's decision to play baseball in the event of inclement weather or deteriorating visibility due to rain or darkness. If either coach considers the weather conditions to be detrimental in playing the game safely, then the coach reserves the right to suspend the game and reschedule it, if necessary (refer to Babe Ruth League, Inc. Baseball Rule 4.10). If the game is suspended and does not meet the criteria of a Regulation Game in 4.10, then the game shall be resumed at the exact point of suspension of the original game, at a time and place agreed upon by the coaches of both teams.
- 10) 9 Players in the field. A team may start with 8 players. If this is the case the other team may bat 9
- 11) No inning will begin after 8:00 p.m.
- 12) Any non-adult coaches bases or outside of dugouts must wear a batter's helmet Player's must keep helmets on, from time they leave dugout until they return to dugout. Anyone (including Adults) warming up a pitcher MUST wear a face mask. This is for pitchers warming up on the mound, or in a bullpen or warm up area.
- 13) On any hit once the play has stopped, meaning the forward momentum of the runners has stopped, and the pitcher has the ball and has at least 1 foot on the mound, all runners must return to last base safely attained.
- 14) When a player walks on ball four, they must stop at first base. They may only go for second base on a wild pitch.
- 15) A pitcher hitting 3 batters in the same inning MUST be removed from pitching for the remainder of that game.
