CENTRAL MAINE YOUTH SOFTBALL LEAGUE

10U Minor League Rules 2019

10U Minor League consist of girls ages 9 and 10.

The league will follow ASA softball league rules. Exceptions to the rules are as follows
A discussion about this rule should take place between coaches and umpire prior to the start of the game.

GAMES: Play games on Tuesday—Thursday--Saturday

Every child should play equally in every game

Games begin at 6:00 p.m. during the week, and weekends will vary

No new innings after 2 hours of play

Home team decides to cancel game because of inclement weather;

Coach must reschedule with other team, cancel ump and reschedule ump

In thunder and lightning, the ump will make the call

EQUIPMENT

11inch softballs will be used

PITCHING

Pitcher pitches from 35 feet; rubber must be secured in place. Pitcher must start with both feet on rubber and 1st move must be toward home plate.

Players pitcher's pitch the entire game. (No coach pitch)

If a pitcher hits 3 batters in one inning they could be removed from the pitching position for the remainder of the inning.

Pitcher's may pitch a maximum of 3 innings a game.

PLAYERS

10 players on field if both teams have enough players; must be an outfielder.

BATTING

A maximum of 6 runs per inning, or 3 outs, whichever comes first. The 6-run rule no in effect in 6th inning

Continuous batting order, all players bat. No penalty for a team that bats fewer than 9 players.

If a batter hits a ball that scores the 6th run of the inning, any runs scored with that hit will count (ie. Player hits ball with bases loaded and hits home run the 6th, 7th, 8th and 9th runs would count)

Free substitutions.

Bunting is allowed.

BASE RUNNING

Stealing is allowed after the ball passes the plate. On an attempted steal the base runner may not advance on an overthrow.

Runners must slide on close plays or they will be called out.

Runners can advance on an overthrow or passed ball.

Runners can steal 2nd and 3rd base

Player can advance 1 base on a steal or passed ball. (No extra bases on overthrows on steals or pass ball)

Teams may score only 1 run per inning on a Passed Ball (Catcher missing a pitched ball)

The throw back from catcher to the pitcher is a live ball.

(On an overthrow from Catcher back to pitcher a runner can advance 1 base as own risk. If they attempt to score from 3rd base this will not count as there 1 run per inning from passed ball.)

Only one run per inning is allowed per team to score on a passed ball.

Courtesy runner available only for catchers (runner must be the last player to have an official at bat from the previous inning).

Infield Fly Rule is enforced

Continue to teach sliding, bunting and stealing. Encourage the catcher to throw to 2nd base. This will prepare them for 12 U. Do not enforce 3rd strike rule.
